

KEMPTVILLE DISTRICT MINOR HOCKEY

Dear Potential Sponsor,

Building upon 39 years of successful community involvement the Kemptville District Minor Hockey Association (KDMHA) is pleased to offer local business an opportunity to benefit from being involved with the development of Kemptville's youth.

For 2005-2006 the KDMHA is continuing (5th year) focus on "skill development" and "fun" through the Coaching Mentorship Program. The Coaching Mentorship Program is an initiative to improve all levels of coaching and player skills development. All coaches and players will benefit - not only by improving their hockey skills – but also by developing life skills – that will benefit the community for generations to come.
