

## Peewee Player Development Plan

---

The KDMHA Player Development Plan is based on Hockey Canada Skills Development Programs. A copy of the Hockey Canada Skills Development Programs is available at the North Grenville Public Library (Kemptonville branch) or through the Ottawa District Minor Hockey Association.

Goals for Peewee age players are:

- Fun
- Refining of basic skills
- Introduction to team tactics

The following practice time allotment is recommended:

45%	Technical skills
25%	Individual Tactics
10%	Team Tactics
10%	Team Play
10%	Strategy

In teaching any activity, coaches need to remember that there is a progression to teaching any skill, tactic, or play.

There is a consistent approach for teaching a skill, tactic or play:

- i. Explain why it is important and when it is used.
- ii. Demonstrate slowly so players are able to see it.
- iii. Practice through progression with feedback from the coach.
